

Member Benefits

Membership Directory – Your business will be listed in our Membership Directory on our website, distributed to every chamber member, and mailed along with vacation packages and relocation packages.

Social Media – We have a weekly advertisement rotation set up for every Member to receive full description ads on our Facebook page. We also Share any updated information with our Followers, including new products, sales, or any other type of advertisement you wish shared. We also share any advertisements you make on your social media page. Participation in any of our events will receive recognition as well.

Website – Our website will list your business along with your e-mail address and a link to your business website and/or social media. This listing is free to our members.

Opportunities for Involvement – Joining the Spring City Chamber of Commerce is an opportunity for you to be involved with Chamber events which promote networking and a positive image for your business. We host a variety of annual community events that we encourage our Members to be a part of. Most of our fundraising efforts benefit either Toys for Children or fund our Scholarship Programs for local teens. You can feel good about your Chamber involvement!

Member of the Month – Our Member of the Month program is a monthly drawing which highlights a member with a photo ad in the Herald-News, Rhea County Magazine online news, Facebook, and our website. A photo and a brief description of your business will appear free. This is a great advertisement for your business!
